

21 November 2023

### **TRAFFIC ROUTE GUIDELINES**

Please be reminded of the following ONE-WAY TRAFFIC ROUTE which applies to both morning and afternoon school pick-ups and afternoon school pick-ups and drop-offs.

- Enter Felixton at the top security gate using your access disk (available at College reception)
- Using the third exit, travel straight down the beautiful, tree-lined High Street
- Immediately after the golf course, turn left, and travel under the railway bridge

#### **High School**

- Pupils can exit the vehicle under the trees at the Dickson Oval (use the pedestrian crossing safely); or before/after the cricket nets.
- Please DO NOT stop in front of the High School entrance pedestrian crossing.
- Once your child has exited the vehicle, please travel onwards where you will pass the Junior School, cross over the railway line, and exit the Village once again at the top security gate.

#### **Junior School**

- Children are to be dropped off in the designated Junior School parking spaces alongside their classes.
- Please exit by traveling over the Railway Bridge and out of the top security gate

Thank you in advance for adhering to this system which ensures the safety of our pupils, and leads to jam-free mornings and afternoons.

Yours faithfully

Mr Wayne Rademan  
Headmaster
